About this List

This is not an exhaustive list and it should be noted that it remains the responsibility of the teacher to ensure that the visit/visitor is appropriate for their pupils

If you know of any faith communities that are not represented here please forward the contact details to schools@chichester.anglican.org and enquires can be made as to whether they might like to be added to this list.

NB: Requests from schools outside of the parish of the school would, as a courtesy, need either to be addressed to the vicar/rector/priest-in-charge of the parish concerned, or be entertained by host clergy here only with the good will of said vicar/rector/priest-in-charge.

Baha'i

The Baha'i religion is one of the most recent of the major religions and is represented in a number of communities across the county. They will be very willing to arrange for somebody to visit schools and talk about their religion. They also have a small exhibition to lend to schools.
