The Diocese of Chichester: Support Programme 2018 – 19

With increasing pressures on both school budgets and staff time, we, in the Diocese of Chichester, are pleased to be able to continue our offer of visits, reviews, mentoring, coaching and CPD opportunities across the Diocese in the year 2018/2019. We have worked hard to ensure that the services and training offered to schools are both high quality and cost effective, with many CPD opportunities being heavily subsidised to make them more accessible to you.

Our programme this year has three key themes. Firstly, we shall be focussing on Mental Health and Wellbeing within schools, with our Headteachers' Conference this year being run in conjunction with Fegans (www.fegans.co.uk) with some excellent speakers looking at this from both the perspective of children and young people, and the perspective of staff within schools. Secondly, we will be providing more support and training around the new SIAMS framework. Thirdly, with the RE Commission report expected in the autumn, we have ensured that there is ample opportunity to attend CPD sessions around Christian Distinctiveness and RE.

Over the past 2 years, the Understanding Christianity training has been very well received by those who have taken it up. We will continue to provide initial training in this coming year so that schools who have yet to access this training will still have an opportunity to do so.

We really appreciate that we work in partnership with you in school and want to support you positively. There are number of courses which may suit you better to have a member of the team come to your school or locality and run part of an Inset day or staff meeting. Do contact Lesley Hurst (lesely.hurst@chichester.anglican.org) to discuss this further. Included in this section are:

- Headteacher Performance Management
- Teaching and learning reviews
- Writing your SEF
- Creating a School Development Plan
- Post Ofsted action planning
- Reviews of behaviour
- Reviews of governance

We are pleased to confirm that the Diocesan Effectiveness Partner scheme will continue into 2018/2019. We know that a lot of schools really value the visits from the DEP team and that they have had a positive impact on schools. If you have paid your Partnership Agreement subscription you will continue to be entitled to two half day visits. Additional time can be booked through the Diocesan Education Department at a subsidised cost.

We will continue to partner with the Church of England Foundation for Education Leadership (CEFEL) over 2018/2019. This is the third year of this organisation's work. This includes the CEPQH which is the Church of England's version of the NPQH (National Qualification for Headship) and is also accredited. There are several subsidies available to help with the cost of this, please do contact us for more information. CEFEL also run several Peer Group Networks, encouraging school to school support. If you want to know more about these please contact Ruth Cumming at Church House or Andrew Simpson at Arundel CE Primary School.

We highly recommend the national annual conference run by CEFEL, (07.02.19) 'Building Resilience in Leadership'. The CEFEL conferences have received excellent feedback over the past 2 years and we expect the upcoming one to be an event not to be missed.

The Diocesan Year of Vocation will be launched during Advent. Please look out for details of our programme of activities for schools to participate in.

We are looking forward to meeting many of you throughout the year either at our events such as the Deanery Briefing Sessions, Annual Quiet Day and Headteachers' Conference. We would urge you to attend the Briefing Sessions in the Autumn to get a flavour of the year to come.

If you need any further information on the contents in this brochure please contact the Education Team on [01273 425 687](tel:01273425687) or email educationtraining@chichester.anglican.org

With very best wishes and prayers

Ruth Cumming

CHRISTIAN DISTINCTIVENESS AND RE

UNDERSTANDING CHRISTIANITY

For Primary RE Subject Leaders

The Diocese of Chichester expects that all Church schools will use the Understanding Christianity resource to support high quality learning in RE within their school and will incorporate the materials into RE for the planning and teaching of Christianity.

This is the third year of running this initial training and as such we are not planning to offer initial training again in 2019 – 20. We therefore strongly recommend that all schools who have not completed this training ensure that they do so in this academic year 2018 – 2019.

‘Understanding Christianity’ is a fabulous resource which underpins the teaching and learning of Christianity from EYFS through to Year 9. The resource builds on training delivered across the Diocese and enables teachers to ‘dig deeper and linger longer’ exploring the big ideas and core concepts of Christianity. The resource has been extremely well received by schools. Those who have completed the training report that it has had real impact on standards of RE within their schools. The training comprises different modules delivered as 15 hours of CPD over the course of the academic year.

Small School Subsidy

The diocese recognises that it is particularly difficult for small schools to send teachers on whole or half day training courses. We are therefore continuing to offer a small school subsidy against the Understanding Christianity training.

Schools who have paid the Partnership Agreement and have less than 150 pupils will be able to book on this year’s course for £150 per person.

Where Understanding Christianity is delivered locally as INSET training to individuals/groups of schools different charges apply. Please contact educationtraining@chichester.anglican.org to find out more.

Resources Bank

There are over fifty RE Resource Boxes available from Church House for schools to borrow. These boxes are filled with exciting artefacts and resources that will help to engage and enthuse pupils in RE. The boxes cover the five major world faiths and are topic – specific, ranging from ‘Christian Baptism’ to ‘Hindu Weddings.’ Schools can either request the boxes and collect them from Church House or we may be able to arrange for a representative from the Diocese to visit the school with a range of boxes.

To make it easier to access the boxes across our wide Diocese, this year we have created duplicates of our most popular boxes and located them in the west and east of the Diocese. The boxes in the west are located at Chichester Cathedral and can be borrowed by contacting Cynara Davies from the Cathedral Learning and Engagement Team at cynara.davies@chichestercathedral.org.uk. The boxes in the east are located at Peasmarsh CE Primary School and can be borrowed by contacting office@peasmarsh.e-sussex.sch.uk.

The RE Resource Bank is supported by funding from Brighton and Hove City Council, Brighton and Hove SACRE and the Letitia Tilbury Tanner Trust. Schools that have paid into the Diocesan Partnership Agreement (PA) or schools in Brighton and Hove can borrow these boxes free of charge. Schools who have not paid into the Partnership Agreement may borrow the boxes at a cost of £50 per box. Please see our website for further details and to download the liability document and box request form.

For any further information please contact Shane Morton by email at: shane.morton@chichester.anglican.org
