

BOUNDARY MAPS PROCESS

- Go to <https://www.achurchnearyou.com/> on the front page there is search engine for postcode or place.
- Put in the parish name.
- This will bring up a map, click on the box in the corner of the map to open it in full screen.
- Once in full screen you can enlarge to see the boundary areas.
- To transfer the map into a word document hold the blue 'fn' button and press print screen.
- Open a word document and make the view landscape and size A3 then right click and paste. This will bring up your map.
- This can then be printed and saved.

Learning with meaning and purpose: to know God and shape the world
