

## Celebrations For Primary School Leavers 2020

For our Summer 2020 Leavers Celebrations we have booked 6 venues across the Diocese. It is our hope that every Church School will be able to join us at one of them. Why not try a different venue this year? There are limited places at all our venues so early booking is essential to obtain your choice. **Please note the change with the Cathedral and Lancing dates. St Leonards celebrations now at St Matthew's Church**

Please complete the reply slip and return it to the Education Department by **13 December 2019** so that preparations can begin as soon as possible in the planning of the services. We should like an early indication of numbers wishing to attend. We are also looking for volunteers to take part in each service. Please would you complete the slip below, ticking each category in which you would be willing to participate, so that we can invite as many different schools as possible to take part. It is very unlikely that any school would be asked to perform in more than one category. **When completing numbers please distinguish between adults who are helping with pupils and parents/family who are attending.**
