

## **WORTH ABBEY: IMPORTANT PARKING INFORMATION**

We are on our last notice to be able to use the Abbey for our services because of the driving and parking on the Worth site at past celebrations. Last year coaches were coming through the incorrect gate and dropping off pupils in undesignated areas. This caused cars to go down one-way roads incorrectly. As the Abbey very often has students on campus we need to exercise extreme caution. To this end would **schools please inform your bus companies where to enter and park their coaches** and would **cars and minibuses please stick to the one-way system and park in designated parking**. See attached Site map.

### **COACHES**

Come off B2110 at Main School Gate. These gates are automatic so the coaches will need to wait for them to open. Coaches to then turn left into Malus Avenue and park up nose to tail on the school side of the road. There should be a parking steward to help with the parking.

### **CARS**

Turn off B2110 opposite Playing fields at Worth Abbey Entrance and follow arrows and one-way system to car park.
