

Collective Worship Resources

Collective Worship Resources

This pamphlet is designed as a handy guide to some of the resources that can support your collective worship at this difficult time. This selection provides a range of different types of assemblies and worship. There are 'off the shelf' assemblies and worship materials which you can adapt to create your own inspiring worship, both inside and outside the classroom. Some of these materials can also be used by pupils who will still be at home. Most of the materials are free, though you may need to subscribe to some websites to access them. One or two are publications which can be purchased online.

Diocese of
Guildford

www.cofeguildford.org.uk/education/christian-distinctiveness/collective-worship

Different materials are listed down the left-hand side of the page. I recommend looking at 'Journeying Together', A Glimpse of God's Kingdom, Prayer Materials and the Covid-19 section, which has a list of prayer stations that could be set up in classroom spaces (you may need to adapt and use as focal points rather than activities). These materials are designed for primary schools with versions for KS1 and KS2.

Worship Workshop

www.worshipworkshop.org.uk

A worship resource created by The National Society, RSCM and the Liturgical Commission which supports the planning of CW. There are materials to create

your own worship based on the liturgical calendar and themes. You can pick and mix materials (prayers, songs, Bible readings etc) to create your own worship. There are materials for Call to Worship, Greetings, The Word of God, Engaging with worship, Response and Sending Out. You need to register to access the materials, but all materials are free to use once you have registered.

#faith at home

<https://www.churchofengland.org/faith-action/faith-home/i-am-school-leader>

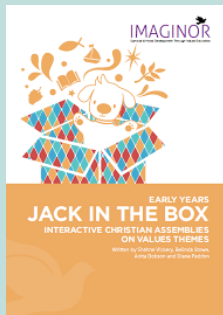

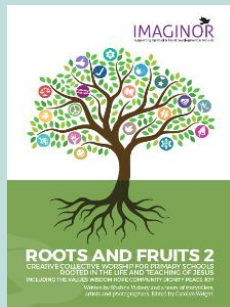

Faith at Home was launched at the end of April and is aimed at linking schools, parishes and households, particularly during this pandemic. New resources are being added every Friday linked to the national CW provided by Oak National Academy. There are short videos on a theme and both primary and secondary films. Depending upon your cohort some Y6 pupils might enjoy the secondary clips. A new song has also been produced and the CE hopes that schools will learn and make their own versions. More about this via <https://worshipforeveryone.com/looking-to-the-rainbow>. Why not make your own film and tag with @worshipforeveryone#LookingToTheRainbow#faithathome. Don't forget to share with us @ChiDioEducation

Assemblies.Org.Uk – SPCK assemblies

www.assemblies.org.uk

Lots of ‘ready made’ assemblies. You can search the catalogue which has assemblies based around lots of different themes. There are both primary and secondary assemblies. During this Coronavirus time they are creating ‘Pause for Thought’ materials.

Imaginer

www.imaginer.co.uk

Root and Fruits explores 12 Christian Values over a 2 year programme and link to the Bible and Church year. **Jack In The Box** is fun, multi-sensory worship for FS settings written by EY experts. It includes lively and interactive worship ideas.

Prayer Spaces in Schools

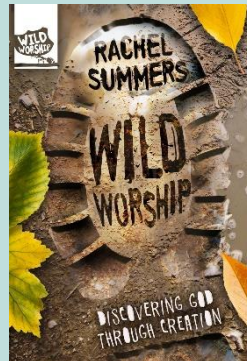

www.prayerspacesinschools.com

Provides a bank of resources for creating prayer stations based on a number of different themes. These could be set up within a classroom and used as a focal point for reflection activities.

Wild Worship

Rachel Summers has produced a series of books which make use of outside space to explore different themes. Wild Worship contains ideas for holding worship outside. Particularly useful at this time!

Big Start Assemblies

<https://bigstartassemblies.org>

Over 100 ready to use assemblies. You need to

subscribe to access the resources as the Diocese no longer pays for the subscription.

IsingPop

www.isingpop.org

Isingpop have created their own you tube channel which you can subscribe to. Every Friday morning they upload a new episode. Episodes are based around a theme. The short films explore a theme, such as joy, introduce a song to learn and teach dance moves to accompany it.

If you have created your own inspiring worship please let me know or send it to me, so I can share it across our schools. Do get in touch if you would like further information or support:
