

NCS

SUPPORT AVAILABLE FOR SCHOOLS AND COLLEGES THIS TERM!

NCS is here to make the transition back to education easier - for you and your students!

Our local teams are available to support Year 11 and 12 students with free face-to-face activities, or where this is not possible, our team of qualified teachers and senior leaders can provide free, flexible resource packs full of lesson plans and slides to help you with the return to school. Based around 7 themes, these resources have been designed with teachers and school staff in mind.

Themes covered include:

- Post-COVID Socialisation
- Citizenship/British Values
- Health and Wellbeing
- Preparation for School Return
- Careers and Progression Guidance
- Employability
- Skills for Independent Living
