

RE teachers!

Come along to a conversation about worldviews with Trevor Cooling, Chair of the Religious Education Council of England and Wales (REC) and Emeritus Professor, National Institute for Christian Education Research, Canterbury Christ Church University.

Have you heard about the latest Theos report on worldviews written by Trevor Cooling, Bob Bowie and Farid Panjwani? Have you wondered what it could mean for you as an RE teacher if implemented?

Would you like to hear more about this from one of its authors Trevor Cooling and share thoughts about it with other teachers?

Then this discussion is for you if you are a primary or secondary teacher in the South East region!

The discussion will begin with a short overview of the report by Trevor Cooling followed by a discussion with teachers chaired by Justine Ball, RE ambassador for the South East and Hampshire Primary RE Inspector, with time for questions and small group discussions.

To book your place and obtain a link for this, please email Justine at Justine.ball@hants.gov.uk
