

## Kingdom Values: Lent Calendar of Kindness

To access the calendar, click here:

Traditionally, calendars are only for Advent, but we are introducing a **Calendar of Kindness** for use during the season of Lent. Because Lent starts on the Wednesday during half term, we have started this calendar from the first day back after half term with the story of Jesus in the desert. For the rest of the term, the calendar links with the themes of the collective worship series '**Kingdom Values**' that we are currently offering as a resource to schools, but could equally be used as a 'standalone' resource. Opening the calendar on a Monday will be included as part of the collective worship script, apart from St. Patrick's Day, which is on a Wednesday. As far as possible, the calendar elements link with the theme for that week, and also cover some of the events of Jesus' ministry & life over the 3 years between Jesus' temptation and his Resurrection. The following pages set out the content and act of kindness for each day so that you know what is coming up.

**The calendar will go live at 00:01 on February 22<sup>nd</sup> and each door will only open on the correct day.**

### In the calendar, you will find:

an image;

the Bible reference for the day;

a video link. If there is no video, then there will be a set of PowerPoint slides linked within the final section (*only YouTube can be uploaded, which is limiting*);

some thoughts for you to ponder and a prompt for an act of kindness (**in bold**).

Each day, you could also consider the following questions: *How was Jesus an 'agent of change' here? How did other people view Jesus' actions? How do you think people reacted to hearing Jesus' words? Why might Jesus have said / done this....? What does this story mean for me?*

The calendar structure dictates how the elements are presented, but it will help if you view the visual materials or read the story before you ponder the questions. We do hope that you find this resource useful!
