

Christ's Hospital School Invites Bursary Applications for September 2022 entry

Christ's Hospital provides over £18 m each year to support bright pupils from all backgrounds with fee assisted places.

Current Year 5 pupils who are considering secondary education in September 2022 are invited to apply.

Simon Reid, Head Teacher, said: "All candidates applying for a place will be assessed on their potential, both academically and the broader curriculum opportunities. Currently means-tested bursaries are granted to nearly 650 of our (900) pupils; 14% of those receive a free place with nearly 35% paying less than 10% of the full boarding fee. Children attending Christ's Hospital are provided with uniforms, meals, accommodation plus all teaching and learning materials. The boarding school community can be a life-changing experience."

Christ's Hospital was established over 460 years ago as a charitable boarding school and is proud to maintain its founding principles and ethos. It offers an independent education of the strongest quality to children with academic potential, from all backgrounds in a caring and supportive environment.

Our termly Open Mornings are ideal opportunities for interested families to visit the School – everyone who visits is guaranteed a very warm welcome and will be given the opportunity of a full tour of the School plus the chance to meet our staff and pupils.

For families wanting to discover more about Christ's Hospital before booking to attend an Open Morning, they can explore our [Virtual Open Day Experience](#) online and contact me with any questions they may have about 2022 entry to Christ's Hospital and our bursary places.

If you have any questions about Christ's Hospital, our bursary (fee assisted) places or our remarkable school please do not hesitate to contact me.
