

## West Hoathly Church of England Primary School

Situated south of East Grinstead, [West Hoathly Church of England Primary School](#) is a small, welcoming, inclusive family school in the heart of the local community with a commitment to excellence for all children in our care. We aim to ensure that each one of our children feels safe, and is enthusiastic, secure and confident. Our school is driven by our school vision 'Be strong, be courageous; do everything in love.'

The role of the school's governors is:

- to ensure clarity of vision, ethos and to set the strategic direction for the school
- to hold the headteacher to account for the educational performance of the school and its pupils and
- to manage the financial performance of the school making sure its money is well spent.

Our experienced and supportive governing body is friendly and committed to maintaining high standards. It includes representatives of the school's parents and staff as well as the Church and Local Authority

We are currently looking to co-opt a new governor who can support our governor team and has the skills required to contribute to the effective governance and success of the school. Particular attributes would ideally include some or all of the following:

- Knowledge of the local economy
- Financial management/accountancy
- Legal expertise
- Surveying, consultancy, research
