## **GROWING FAITH**

Day Conference
Saturday 14 May 2022
Chichester Cathedral

This conference offers an impressive line-up of practitioners with experience, wisdom, and passion for our parishes to have thriving ministry among the rising generation. Whether you have a tiny toddler group, or more tweens than you can handle, this day is a great opportunity to think through how to strengthen this vital and challenging work in our churches, homes and schools.

Rt Rev'd Ruth Bushyager, Bishop of Horsham
