Autumn Term 2022

RE Network

I'm looking forward to seeing you all - and hopefully seeing some new faces - at our RE Network on Thursday 10th November 2022 at 4.30 on zoom. If you haven't yet registered for this meeting please visit Eventbrite to book your place. All network meetings are free. You don't have to be the RE subject leader to attend - anyone who teaches RE is welcome to join the meeting. As usual there will be an update on RE, SIAMS and training and support, as well as a focus for discussion and the opportunity to ask questions and share ideas. Please come along with ideas to help us shape the spring and summer term networks.

Training

We have lots of new RE training courses planned for this year. Training courses are being delivered in a variety of formats – some face-to-face, some online 'live' sessions and some pre-recorded modules which will be accessed via the Diocese of Chichester learning platform. Information about the pre-recorded training courses will be made available later this term. Training sessions are designed for RE Leads, ECTs and HLTAS as well as senior leaders.

To find out about all our training courses please visit Eventbrite - you can do this from the training page of the Diocese of Chichester Education website or ask about the course flyers which have been emailed to your school.

If you are interested in RE training in school for your team, please email Rosemary Black to discuss your needs. For training enquiries please email:

RE Surgeries –

New

You may be a new to your role as RE lead or have questions you would like to ask. This year we are providing the opportunity for you to have a 1:1 online session for personal advice and support for your RE leadership. Please look out for the RE surgeries. The first surgery is on Tuesday 11th October from 3.30 - 5.00pm. Once you register you will be allocated a 15 minute slot. No question is too small to ask - so do take advantage of this opportunity. You can find out more by visiting Eventbrite. Your school will also have been sent a flyer.

Upcoming events:
