Spring Term 2023

RE Network

It was lovely to see so many of you at our autumn network. If you haven't yet registered for the spring network on Tuesday 14th March 2023 4.30 (zoom) please visit Eventbrite to book your place. The network is free and open to all teachers, not just RE leads. So, if colleagues are interested in attending, please do invite them along. At our meeting we will be discussing: how you challenge pupils' thinking; how you support text analysis and sharing examples of retrieval/recall activities you have tried out since the autumn meeting. **It is your network so please have examples to share!**

Training

To find out about all our training courses please visit Eventbrite - you can do this from the training page of the Diocese of Chichester Education website.

RE Surgeries – 1:1 advice

We had a good response to our first surgery, so if you have a question or would value some 1:1 advice please register for the next surgery which is Wednesday 18th January from 3:30pm. Once you register you will be allocated a 15 minute slot. No question is too small to ask - so do take advantage of this opportunity. You can find out more by visiting Eventbrite.

RE Book Club – 31st January 2023

The book for this term is 'Retrieval Practice 2: Implementing, embedding & reflecting' by Kate Jones. If you would like to join please email me.
