

The Sussex Spires Federation is looking for Foundation Governors

Are you interested in supporting rural Church of England schools, and through them the wider community?

Could you contribute your skills, experience, and passion to our team, whilst also developing your own knowledge and skillset, and adding to your CV?

The Sussex Spires Federation Governing Board is looking for additional Foundation governors to enhance the existing team. The Sussex Spires Federation (SSF) consists of two schools, All Saints' and St Richard's Church of England Primary School in Heathfield, and Herstmonceux Church of England Primary School in Herstmonceux.

Experience in business, finance, or marketing would be warmly welcomed, but we see the value that experience in many different areas could bring to our board, so please do reach out if you are interested.

Having prior knowledge of the primary education sector is not a requirement. Please note that the role will require someone who is able to make a regular commitment to the position. If you are interested in being part of a friendly team who are striving to provide an excellent education to the next generation of children, please send an email to clerk@sussexspires.co.uk and attach a copy of your CV, together with a covering letter that sets out why you think you would be suitable for this position.
