

Consultation on admission arrangements for xxx Primary School for 2025 to 2026 academic year

Notice is hereby given in accordance with legislation that the governing board, as the admission authority for xxx CE Primary school, is formally consulting on its proposed admission arrangements and admission criteria for admission in the school year 2025-26.

The 6 week (minimum) consultation will begin on xx 2023 with the closing date for submitting comments being midnight on xxx 2023/4 (*this has to be a minimum of six weeks later so may close in 2023 or 2024*). All comments are reviewed and considered before the policy is determined by the board.

We propose the following oversubscription criteria:

1. *List the proposed OS criteria, always starting with looked after children*
2. xxx
3. xxx

Explanatory note:

Add a brief summary of the reasons for the proposed changes here.

The changes we are proposing to the current 2024/25 oversubscription criteria are:

- *List the criterion changes here*
-

The full proposed admission arrangements, the map of the community area (*and the supplementary information form if relevant*), can be viewed on the school website.

Alternatively, if you do not have access to the internet and you wish to request a printed copy of the admissions arrangements, please contact the school office (*add contact details*)

Comments on the proposed admission arrangements should be sent to the school by the closing date xxxx (*last date this can be is midnight on 31st January 2024*). This can be in paper form, to the school office, or comments can be emailed to: (*add chair's or other email for the comments*)

Add electronic signature if you have it

xx xxx Chair of the Governing Board
