

Our Charity Collection at Leavers' Services

OFFERING Each school is invited to bring an offering to support our designated charity, Family Support Work. Full details of this charity can be found at www.familysupportwork.org.

*Chichester Diocesan Association for **Family Support Work (FSW)** gives practical support and advice to families throughout Sussex who are experiencing hardship or challenging situations including low income and poverty; the breakdown of family relationships; school refusal or exclusion and mental or physical ill health. Our professional Family Support Practitioners across Sussex work closely with families and other agencies (schools, social services etc.) to provide tailored, wrap-around packages of support to help them tackle issues before they become entrenched, and to strengthen the family unit.*

Our support is free and lasts as long as a family feels they need us.

One child should be chosen to present your school's named envelope – either containing cheque/cash or details of any BACS transfer that the school has made/will make (so that we know the total donated to FSW). They will be invited to come to the back of the venue to process up during the last verse of the hymn "Prayer of St Richard" and give the envelope to our service leader.
