

# Governance courses

Training is vital for every serving governor

Course titles for 2024-25. For dates and further details please click on the links below.

*Having undertaken or planning to do safeguarding training elsewhere, governors of Church schools will find this session helpful to provide theological roots to why and how to develop their strategic role.*

For more information [click here](#)

*In two sessions, the new governor will discover the principles and practices of being a governor in a Church of England School. Plenty of tips and ideas will equip you, and an online Learning Page with resources will be available after the session.*

For more information [click here](#)

*This short course is designed to help all new and potential chairs, vice-chairs and committee chairs to explore their role as leaders and the responsibilities involved specifically in a church school context.*

For more information [click here](#)

*A two-session course for governors explaining the thinking behind the SIAMS Framework and the process of an Inspection.*

For more information [click here](#)

*This course will enable governors to understand the process, think about how to be prepared and more importantly focus on their role in school improvement.*
